Park improvements are pondered

PREVIOUS LEADERS and current leaders got together at Saturday night's Antioch Chamber of Commerce & Industry dinner-dance at The Country House. From left: Bob Wilton, Antioch's mayor from 1973 to

1977; Bill Patterson, new president of the Chamber; Mike Haley, the current mayor, and Dick Kirkpatrick, last year's Chamber of Commerce president. (More pictures inside.)

Sales tax shows business is good

How is business in Antioch?

It was good enough in 1977 that it appears the village will receive more than \$470,000 in sales taxes.

In 1976 the village received \$422,739 from business sales. "The sales tax breakdown for the year apparently is about \$50,000 in excess of the previous year," trustee Don Amundsen said at Monday night's village board meeting. "This is certainly encouraging."

IN OTHER BUSINESS at the village meeting three police patrolmen were placed on permanent status after

completing their probation period. They are Robert Lange, Ron Allen and Walter Mitchell.

At the suggestion of trustee Edgar Simonsen, village engineer Frank Angelotti was authorized to draw the plans for storm water retention at the Turner Drive location of the new fire station, to be built soon.

TRUSTEE RON CUNNINGHAM invited persons interested to attend next Monday night's committee meeting at which a representative of Lake County will be here to discuss an agreement with the village on animal control.

Village has \$29,000 for Williams Park

The Antioch Park Commission is getting ready to spend \$29,000 of federal money to beautify Williams Park. The money is left over from a grant of \$40,000 the first of which will be spent to demolish the existing Willowdale Party building.

Sue Koppa, village parks and recreation director, says she hopes the ways in which the \$29,000 to be spent will be determined by May.

THE PARK COMMISSION tossed around ideas in a meeting last week and the village planners, Bartland Bartholomew and Associates, are studying the possibilities.

"We could use four lighted tennis courts," said Mrs. Koppa. "The lights are already up there and it would be nice to utilize them." The village could either add two courts or replace the present two and build four new ones.

Mrs. Koppa also said she'd like to see some outdoor facilities for shuffleboard and maybe modified versions of racquet ball and handball. Also, more playground equipment and a bandshell.

"A bandshell?"

Yes," said Mrs. Koppa. "Williams Park might not be the place for it, because of the noise."

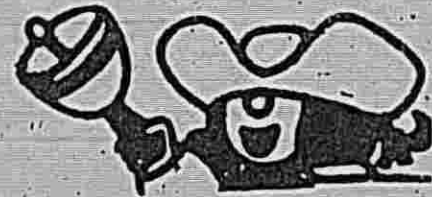

But," she laughed, "I don't know where I'm going to put my bandshell but I'm going to have one in this town."

"We just don't do enough in a cultural way," she added. "Also, we have so many students taking band in the schools."

OTHER POSSIBILITIES for Williams Park include some fencing and landscaping, which would add to the beauty.

The park commission also is working on a name for the new sawmill park to be dedicated July 4. Betty Lu Williams, librarian, is giving the group historical information to help come up with an appropriate name.

The sawmill committee will meet again at 7 p.m. on Wednesday, Feb. 1, at the State Bank.

might be held this spring.

The park district would mean that residents of the township would help the approximately 1,200 village residents bear the cost of the community's parks and recreation program.

Although the park program is now operated and funded by the village, township residents do pay more than village residents to use the Antioch outdoor swimming pool.

"Volleyball, for the little league and minor league baseball program, are severely limited by lack of adequate fields," Houghton said.

More than half of our participants come from our township, he said, "and until now we haven't asked the township for money."

Right now, Houghton told township officials, "the village park program can't grow because we can't afford it. Yet there is a demand for more services. We're continually asked to do more, but we need more help from our citizens."

Members of the town board agreed to "work for the passage of a referendum to create a park district."

SAFETY NIGHTS WILL BE HELD on the 1st and 3rd of each month. The first night was held on Jan. 10 and was a success. The next night will be on Jan. 17 and will be the 2nd of the series.

Cancer society plans free clinic here Feb. 18

The American Cancer Society will sponsor a free pap smear and colon clinic in Antioch on Saturday, Feb. 18. Dr. Alan Thain and Mrs. Janet Brook are volunteer co-chairmen of the free clinic, which will be offered from 9 a.m. to 12 noon and from 1 to 4 p.m. It will be at the Antioch Clinic, 707 Main St.

The American Cancer Society urges all women to take advantage of this opportunity to care about themselves. Mrs. Brook said, "You must make an appointment by calling the State Bank at 395-2700. Actions speak louder than words, so give your loved ones a treat during Valentine's week by showing that you care about yourself."

Blood donors sought by St. Peter's parish

January's National Blood Donor Month and St. Peter's parish will have its sixth annual blood drive on Saturday, Jan. 22, in the social center from 9 a.m. until 5 p.m.

The anticipation of National Blood Donor Month, President Jimmy Carter is urging the following procedure:

A donation of blood is an unqualified expression of devotion for one's fellowman and a source of deepest satisfaction to both donor and recipient. Millions of Americans recognize the nature of this act and participate in it regularly. Yet millions more who are eligible to donate do not. Encouraging these people to join in contributing to the creation of an all-sufficient supply of blood for those in need.

As a regular donor of blood, I urge those who have never or seriously considered the importance and benefit of participating and urge all qualified Americans to join in this life-giving cause.

Co-chairmen of this year's blood drive at St. Peter's are Ellen Bae-Ipson, 39, and Gloria Grady, 26, both. They and their phone volunteers are presently calling parishioners to set up donor appointments. Please be responsive when they call. If you are able to donate, follow it to yourself and your neighbors to provide the assurance that you and they can be supplied with blood should the need arise.

Ronald Reagan Speaks Out On Potomac Puzzles

Going through my mail the other day I came across three newspaper clippings that add up to a real paradox by the Potomac.

Reading the first one I could hardly believe my eyes. It read, "In an effort to eliminate unnecessary occupational safety regulations, the government Monday acted to prune 1,100 provisions from its massive rulebook on safety conditions in factories and offices."

At last, OSHA — the octopus-like Occupational Safety and Health Administration — was getting a dose of common sense and weeding out such ridiculous items as rules for designing toilet seats, types of wood to be used in ladders and the height of letters in signs.

Labor Secretary Ray Marshall in announcing the regulatory reform said, "It is in the interest of business, American workers and OSHA to stop nitpicking and concentrate our efforts on the real hazards of life and limb." Amen to that.

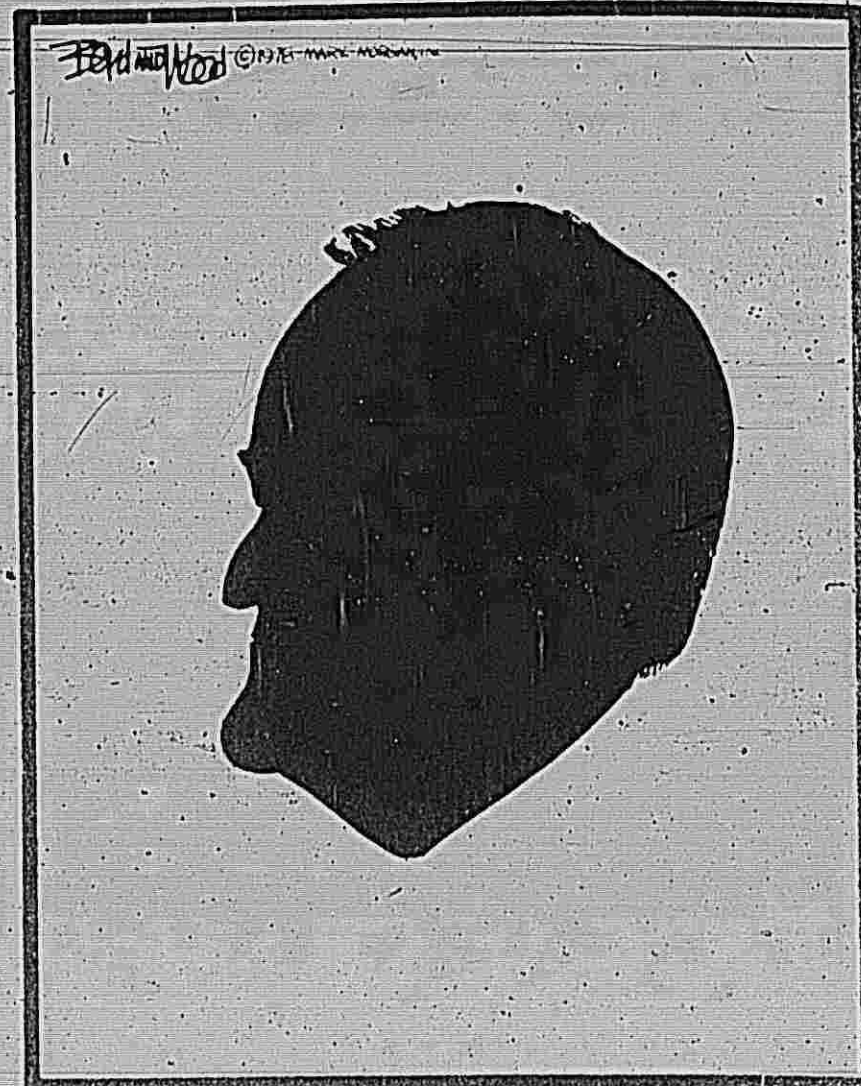

But if I thought we were finally going to have a little less government, this was wrong. The next two clippings were much more the kind we have come to expect from the White House puzzle pieces.

One of the puzzle pieces, Mr. David L. Schuchat, who wishes he had never seen the \$11.64 delivery charge for the wallpaper for his apartment. The charge was outrageous, he wrote a letter to the ICC, the Interstate Commerce Commission. Unwittingly, Mr. Schuchat unleashed a five-year torment of ICC orders, legal battles, millions of correspondence and all the other paraphernalia of a major court case.

\$2 Million In Legal Fees

It seems the ICC decided that its rule permitting haulers to charge extra for deliveries to homes, apartments, churches, schools and camps might not be a fair one after all. In the process, at least 84 lawyers representing trucking companies, public agencies and shippers. One lawyer specializes

What to do if stopped by police

Boy, I'll really rotten Monday. It was 6 below zero and I had a cold and sore throat.

Then Dan Dugenske of Strand Funeral Home calls up and says,

"How are ya?"

"If you're ever stopped for a traffic violation, your general behavior and what you say could save you some trouble, time and, possibly, a ticket," says the Chicago Motor Club.

While most police officers deny that they can be talked out of giving a ticket, they are quick to point out that many drivers have talked their way into one or have even ended up with a disorderly conduct summons.

It's not difficult to hear say something that can get you in trouble some even dangerous situations. Let's look at the officer's side. According to police, "routine" traffic stops sometimes result in death for the officer. With the way of knowing whether the driver has criminal intentions, the officer must be cautious.

SO THE BEST ADVICE is to stay calm, remain in your car and be as polite and cooperative as possible. The officer will tell you in due time why you were stopped.

When you see those flashing lights and they're moving for you, pull off the roadway slowly, obstructing traffic as little as possible. Turn off your car radio, CB or tape deck, put the car in park and remain inside until the officer approaches, unless you're asked to step out.

If driving at night, turn on the interior dome light so your movements can be seen clearly. It may be a moment or two before the officer does approach — many will run a quick check on your vehicle by radio or pause at the rear window to observe any suspicious actions or items.

IN MOST CASES, the officer will ask for your operator's license and registration. It's routine and doesn't necessarily mean you're getting a ticket. But don't hand over your billfold or pocketbook. There's a chance you could be accused of bribery or an officer could be accused of taking money.

Besides, the officer must stay alert and cannot devote attention to searching for the documents. Instead, remove your license and registration and hand them out the window. If you keep your registration in your glove box, tell the officer that's where it is before reaching for it. This will reassure him that you're not going for a weapon.

REMEMBER TO COOPERATE as best you can. Even if you feel you haven't done anything wrong, there's probably a very good reason why you were stopped. It may be nothing more than to inform you of a burned-out taillight or missing license plate. If you're rude you could get a ticket instead of a simple advisory.

It's okay to ask why you've been stopped if you haven't been told. But don't get pushy or aggressive. And if you're

The associates of Century 21, Michael Warren and Co., are busy preparing for their grand opening Saturday and Sunday.

The firm has moved to 974 Main St. and invites everyone to visit the new real estate offices. The entire sales staff is looking forward to a fine turnout.

Parking had been a problem for their customers, but the new location on the corner of Quality and Main streets allows plenty of off-street parking.

We join the rest of the community in extending continued success to Michael Warren and Co.

ANTIOCH'S FIRST CAMERA shop, EJ's Camera, will be opening its doors Friday. Brothers Ed and Joe Bakshis have combined their talents in photography and marketing to produce the full service photo store at 896 1/2 Main St. (directly behind The Piggy Bank).

Their shop carries a complete line of cameras, projectors and darkroom supplies and will feature 48-hour photo finishing.

Ed and Joe hope to decorate their walls with photographs, so they invite all amateur photographers to bring in their best work for display.

The Bakshis also want to feature a bulletin board that would allow camera buffs to buy, sell or trade their used equipment.

Sounds good. Best of luck to both of you, Ed and Joe.

DOROTHY, ONE OF THE owners of Lee-Ron Sales, called to tell us how nice our new drapes look.

We happen to think they look pretty good too and want to thank Erlene Pearce, a talented member of our office staff, for making them.

Slow but sure, we're getting settled in our new office. Please excuse our move; we're right next door where the tailor shop used to be.

Chamber celebrates success

The Antioch Chamber of Commerce and Industry installed new officers and celebrated its accomplishments last Saturday night.

The occasion was the annual dinner-dance at The Country House restaurant.

One of the Chamber's accomplishments was listed on the placemats. In 1952 the group had 19 members. Now, 25 years later, it has 117.

RICHARD KIRKPATRICK, Chamber president during

1977, turned the gavel over to William Patterson, who will lead the group in 1978.

Kirkpatrick mentioned that the annual Chamber shopping spree attracted 6,000 entrants in 1977.

Patterson said, "we have estimated that during 1978 we are going to do over \$50 million in retail sales."

He added, "Cooperation is the crux of my appeal tonight. Our objectives can't be met without your help. We also must expand our membership to include those

Along the way with ANNIE MAE

I was really Orange Crushed (almost as badly as the Denver Broncos) when I didn't make the world's "best dressed" list this month.

But at least I wasn't on the "worst dressed" list along with Farah Fawcett Majors and Rosalynn Carter.

How can those fashion idiots put such beautiful women as Farah and Rosalynn on a "worst dressed" list? It figures... my own personal beauty is probably what is working against me.

A LOT OF VERY NICE people are having birthdays in the next week but I can only name four of them because as I told you - I lost my little black book in our move from 950 Main St. to 952 Main St.

I'm sorry about those we're missing, but we sure want to wish a very happy birthday to Sandi Stewart of Four Squires today (Jan. 18), to Jeff Gutowski tomorrow (Jan.

19) to Clem Haley on Jan. 20 and to Linda Walker on Jan. 24.

They are Capricorn and Aquarius people and, if you know anything about astrology, you know they have lots of talent, energy and ideas. Just read Sonia's "Astro-Analysis" in today's paper.

WE ENJOYED SEEING former mayor Bob Wilton and his wife, Ann, at last Saturday night's Chamber of Commerce dinner-dance. And, if we're not mistaken, next Sunday, Jan. 22, is their wedding anniversary.

"DICKENS AND DOLL" is the big attraction this month at Vi's Yellowbird, west of Antioch on Rte. 173.

Jack Dickens is appearing at the popular nightspot on weekends through Feb. 26. Vi Johantgen also is a hit when she joins him on the stage.

By the way, this Saturday night is Uncle Milt's birthday party at the Yellowbird.

AVANTI RISTORANTE, formerly Tony & Lill's, south of Antioch on Hy. 83, has been tastefully and elegantly redecorated by its new owners.

You owe yourself a stop out there to see the improvements.

COL. RON MOZETIC, of Unique Antiques in Salem, is now holding his antique auctions at The Country House here in Antioch.

On Sunday, the Colonel will hold an auction there starting at 12 noon. The event begins with breakfast at 10 a.m., followed by an inspection of the auction items at 11 a.m.

Happenings

A POTLUCK DINNER and auction will be held by Oakland School's Parents and Teachers for Kids (PTEK) on Tuesday, Jan. 24, at 7 p.m.

The dinner and auction is for the families and teachers of Oakland Grade School and will be held at the school.

Each family should bring a dish to serve eight to 12 people," said Evelyn Nutter.

The PTEK will supply coffee, silverware and dishes," she said.

Following the dinner will be the auction, conducted by Al Paul. Donations for the auction should be brought to the school that night.

ANTIOCH'S "FFF" SENIOR center will have card games on Friday.

On Monday, a special Channel 11 TV program for senior citizens will be shown.

January 25 is "game day," while the January birthdays will be celebrated on the 27th.

Monday, the 30th will be "Silly swap day."

Bring something you want to get rid of, wrapped up, and receive a surprise in exchange," a club officer said.

THE ANTIOCH Republican Club will meet at 8 p.m. Wednesday at the new Antioch township office building on Rte. 173.

The first meeting of 1978 will include discussions on the division of new precincts, the primary election coming up in March, and the annual Republican Club golf outing.

"All Republicans are invited to attend," said Gene Zannini, publicity chairman.

CENTURY 21, Michael Warren and Co., will celebrate the opening of its new real estate offices on Saturday and Sunday.

The firm has moved to 974 Main St.

"Food and beverage will be served throughout the two days. All Antioch and surrounding townships will be welcome," Mr. Warren said.

ARIES [March 21-April 19] - You now have more time and energy to devote to occupational activities. A good week to carefully evaluate career aims and set new goals.

TAURUS [April 20-May 20] - You work better with others so make plans which include group activities. Both old and new acquaintances are helpful in decision making as well as enjoying social functions.

GEMINI [May 21-June 21] - Timing is off for hasty decision making. This week should be used constructively to gain new insights, lay groundwork for future goals.

CANCER [June 22-July 21] - Prepare for new opportunities involving partnership deals. New associations can successfully be formed if you get good legal advice, use good business sense.

LEO [July 22-August 21] - Some temporary setbacks may cause impatience. Don't be headstrong, slow down and wait for better timing. Reckless acts now may cause accidents; curb temper too.

VIRGO [August 22-September 22] - You may be tempted to gamble on uncertain ventures; take time when speculating. Good sound business deals can now be made by using good judgment.

LIBRA [September 23-October 22] - Some conflicts at home can be disrupting to other plans if you allow these differences to materialize. Best now to keep outside activities away from domestic life.

Varsity wrestlers win over top-rated foes

Woodstock is Friday's opponent

Well, three out of five ain't bad. Especially when you're wrestling very tough teams. That's how Antioch High's varsity wrestlers should feel after last weekend's rugged competition.

They crushed conference opponent Dundee 50-2, highly rated Highland Park 29-15 and Holy Cross 47-7.

But they lost to Glenbrook North 30-26 and Wheeling 34-18.

WHEELING WAS THE Chicago Mid-Suburban league champion last season. Glenbrook North also won its conference title.

Holy Cross, one of Antioch's victims last weekend, was first in the Chicago Suburban Catholic conference.

As Antioch's coach, Ted DeRousse, said at the season's start:

"This year's schedule is the toughest and best any team in Antioch history has ever faced in any sport."

Just recently DeRousse's wrestlers won the Lake County championship over 17 other teams in what the coach called "one of the best wrestling areas in the state."

"This schedule should prepare us to win the conference and district tournament in 1978," DeRousse added.

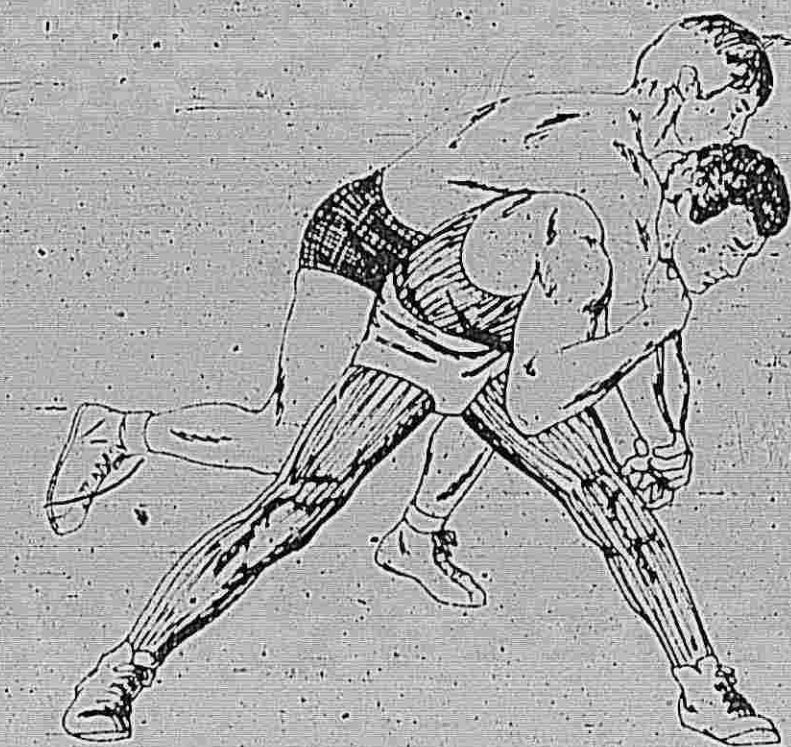

THE HIGHLIGHT LAST WEEKEND was the Sequoits win over "the Little Giants" of Highland Park. That team was undefeated in 4 1/2 straight meets over the last two years but Antioch outwrestled those not-so-jolly Giants 29-15.

A pleasant moment in the meet was Antioch heavyweight Rich Packert's 6-4 win over Mike Lencioni, who had defeated Packert in the finals of the Lake County tournament.

HIGHLIGHTS OF THE DUNDEE meet included Dave Unrien's 11-3 win over Bill Heril. Heril has been one of the area's best 98-pound wrestlers.

Also, Jeff Gross (at 119 pounds) scored a win for Antioch over Dundee's star, Scott Horcher, 4-2.

Against Glenbrook North, Jon Gibson wrestled at 98

pounds and beat a highly-rated foe, Jay Nussbaum, by pinning him in less than five minutes. Nussbaum had entered the match with a 20-3 record.

Highland Park gave Antioch a close duel until Gene Lehn triumphed for the Sequoits at 155 pounds. Jeff Thiel won at 167. Dave Aschbacher was victorious at 185 and Packert won the heavyweight match. That buried Highland Park.

Jon Gibson, Lehn and Packert were 5-0 in last weekend's matches while Marvin Gibson had a 3-0-1 record.

THE SEQUOITS RETURN to the home mats this weekend with Friday night matches against Woodstock at 6:30 o'clock.

Woodstock's all-state running back, Dave Mohaps, who starred on the football field last fall, is undefeated in wrestling this season. He will go against Antioch's

Aschbacher at 185 pounds or Packert in the heavyweight match.

Saturday, Antioch travels to Jacobs to wrestle the Golden Eagles.

Antioch girls triumph in 2 close games

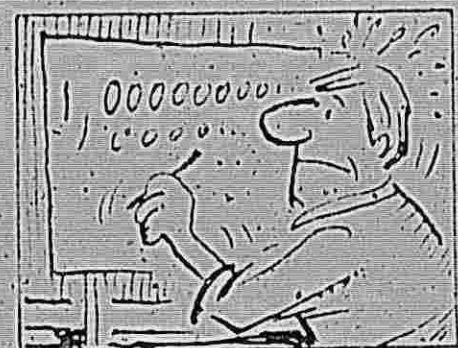

Antioch High's girls basketball team defeated Lake Forest 45-41 last week. The Antioch varsity led until the middle of the fourth quarter when it fell behind by three points.

Clutch shooting by Sherry Weitz and Linda Hoffeditz put Antioch ahead by two with 20 seconds to go. Sherry Weitz was fouled and sank both free throws to tie the game.

In their first conference game last Saturday, the Antioch girls barely survived for a 36-35 victory over Round Lake.

Antioch couldn't get going in the first half falling behind 18-9 at the intermission.

In the third quarter Antioch scored 16 points and gained the lead. The game seesawed after that until Round Lake took the lead in the last minute of play. Round Lake held the ball with 10 seconds to go but Linda Hoffeditz stole it and went the length of the court for the game-winning layup.

The term "Googol," for 1 followed by 100 zeros, was invented by a famous mathematician who took a term supplied by a very young nephew.

Upper Grade wrestlers beat 2 foes

The wrestling Apaches of Antioch Upper Grade School are fresh from wins over Olsen of Woodstock, 44-36, and Cooper of Buffalo Grove, 57-27.

"Our team wrestled exceptionally well in both meets," said Coach Ken Anderson. "They overcame a deficit of 18 points in forfeits given to Woodstock and 24 points in forfeits given to Cooper."

The forfeits were the result of no Antioch boys filling certain weight classes.

WINNING FOR the Apaches against Olsen were Tad DeRousse, Brad Larson, Greg Pahlke, Peter Kessler, John

Oelkers, Andy Lehn, George Bessette and Bill Carney.

Against the Buffalo Grove team, Antioch victories were scored by Bob Tarsitano, Erdie Cole, Frank Heiselmann, DeRousse, Steve Case, Larson, Pahlke, John Wohlfeil.

Wauconda names new football coach

Len Siatta, assistant football coach for the past seven years at Wauconda High School, has been named head coach by the Wauconda school board.

Siatta replaces Fred Loffredo, who retired from coaching at the end of last season. Loffredo will remain at Wauconda as guidance director.

Siatta, 37, has been the defensive co-ordinator of the Bulldogs.

Oelkers, Lehn, Bessette and Carney.

THE APACHES were scheduled to wrestle at Harvard yesterday and will host Northwood Thursday. Saturday they travel to a tournament in Barrington.

Siatta played four years of college football at Murray State in Kentucky. He was a defensive tackle.

His brother Jack is the head football coach at Cary-Grove High School. Wauconda and Cary-Grove are both members of the Northwest Suburban Conference but Cary-Grove will leave next year to join a new conference.

Siatta inherits a team which was 4-5 last season.

Frosh wrestle here Friday

Antioch High's freshmen wrestlers will perform for the home folks Friday night when they grapple with the Woodstock Blue Streak frosh at 6:30 p.m. here.

On Saturday, Coach Steve Wapon's Antioch freshmen will travel to Jacobs High School for a 1-p.m. dual meet.

Last weekend the Antioch team defeated Dundee 29-24 then lost 39-24 to Glenbrook North. The split left the future Sequoit varsity with a 3-5 record for the season.

AGAINST DUNDEE, Antioch was led to victory by Dan Larsen, who scored a 4-0 decision over his rival, Jeff Canella, who won 8-0. Mike Mercer, who gained a 10-1 decision, and Steve Jennrich, who pinned his opponent in 1 minute and 20 seconds.

The freshmen spotted Glenbrook North a big early lead, 21-3, then won three straight matches, Mercer decisioning his rival 3-2, Jennrich scoring another pin and John Domkowski pinning his foe in 3:01.

That closed the gap to 21-18 but Antioch's only other win came on a fast pin, in 1:36, by Stuart Dalglesch.

Karla Herbst wins basketball contest

A senior at Antioch High School, Karla Herbst, had a hunch her team was going to beat Dundee by four points last Friday night.

Because of her accurate prediction, Karla won first prize in the Antioch News' weekly basketball contest. Her prize is a \$15 gift certificate at Andre's Restaurant in Richmond.

Two fans, Mary Jan Huebner and Shirley Gutowski, predicted a five-point victory for Antioch and tied for second. But Mary Jane accurately forecast that Dundee's sophs would defeat Antioch's sophomores in the tie-breaker and she will receive second prize, a \$10 gift certificate from King's Rexall Pharmacy.

Shirley, the most frequent winner of prizes in this season's football and basketball contests, will be mailed a \$5 gift certificate from Bernie's Delicatessen & Beer Depot.

Bob Huebner came close last week, picking the Antioch varsity to beat Dundee by two points.

Another contest appears in today's paper.

2 interesting games for Emmons '5'

In two non-conference games last week the Emmons' seventh graders split, beating Antioch 28-21 and losing to Westoak 53-42.

Against Antioch, the rebounding of Tim Hartokolis and Frank Mahar opened up the fast break against the Apaches. Steve Haase was on the receiving end of the fast break for the Raiders, leading scorers with 10 points. Hartokolis added 8.

Emmons coaches said "excellent defense, led by Craig Sheedlo and Luke Kuligoski, forced Antioch

to depend on the outside shooting of Jon Humphreys, who led Antioch with 9."

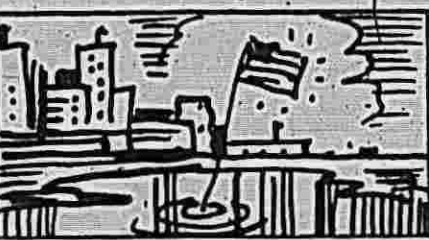

Against Westoak, the Raiders fell victim to a shooting display by Tom Zepeda of the Westoak Spirits. His 17 for 22 shooting from the floor coupled with a free throw gave him 35 points in the 53-42 victory.

Emmons led through three quarters, but went cold in the final stanza as Westoak pulled away.

Hartokolis led Emmons with 17 points. Luke Kuligo-

ski hit for a season high 12 points, while Sheedlo added 5. Frank Mahar had 9 rebounds.

The Raiders are now 7-3 on the season, and lead their conference with a 5-0 record.

Of all the Great Lakes, the only one entirely in the U.S. is Lake Michigan.

Sequoits get past Dundee, 62-58

Face 2 foes this weekend

After displaying a lot of poise here last Friday in an important 62-58 victory over Dundee, Antioch High's varsity basketball team will try to keep on truckin' this weekend.

The Sequoits play 8 p.m. games at Woodstock Friday and at home Saturday, against the Golden Eagles of Jacobs High School.

Coach Roger Andrews' Antioch team leads the North Division of the conference with a 6-0 record. Woodstock and Jacobs will be good tests for the Sequoits since both are tied for first in the South Division with 4-2 records. (Cary-Grove and Wauconda also have 4-2 records in the South.)

DUNDEE CAME HERE as one of the South Division co-leaders, with a 3-2 record, and the Waukegan News-Sun (among other experts) picked Antioch to win by six points. The Sequoits were happy to win by four.

Both teams came out shooting at a torrid pace and Antioch enjoyed a 39-34 halftime lead after swishing 19 of its 34 field goal attempts. Dundee also was making more than half of its shots, 16 out of 27.

The hot shooting cooled in the second half but Antioch showed "good poise and discipline," according to Coach Andrews.

"During the fourth quarter our team worked the ball well and got good percentage shots," he said. "But there must have been a lid on the basket because only two of our 16 shots went in."

YET, ANTIOCH WORKED hard on defense and remained unbeaten in the conference.

Dundee got as close as it could with 3:14 to go on a pair of free throws by Chris Garlieb to make the score 58-56.

Antioch went into a delay offense and with 35 seconds to play Tim Huebner was fouled. Huebner made the first free throw and missed the second, but Tracy Sodman grabbed the rebound and was fouled with 30 seconds to go.

Sodman hit one of two shots to give the Sequoits a 60-56 advantage. Dundee turned the ball over on its next possession and, on the inbounds pass, Antioch's Bill Dubek was fouled. He made one of the two free throws and the Sequoits led 61-56.

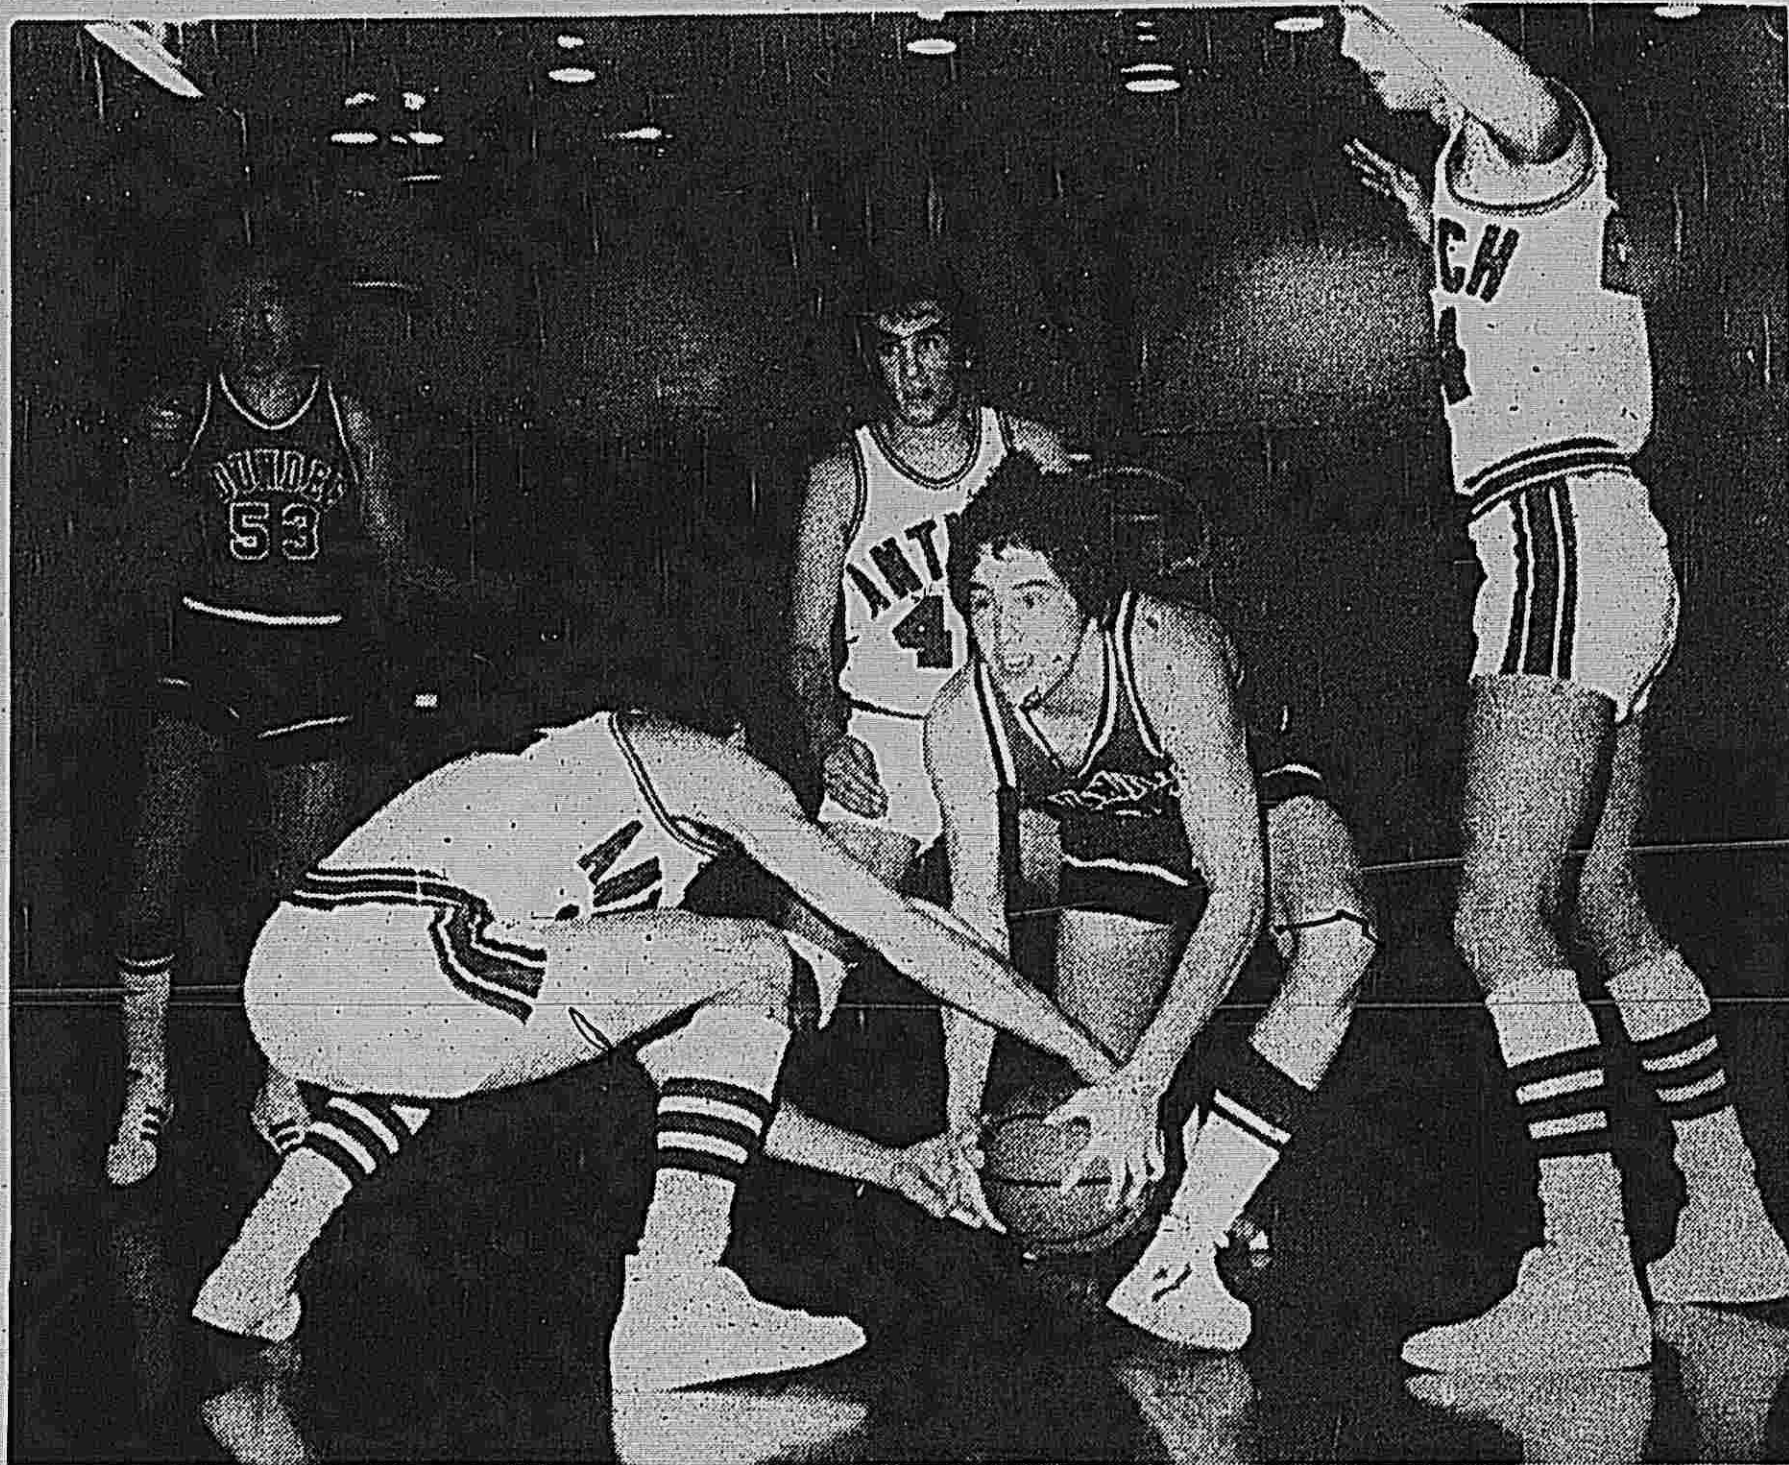

Garlieb was fouled with nine seconds left and hit two free throws to cut the Antioch lead to three points, 61-58.

The Sequoits held a big advantage in rebounding, 35-25, and committed only 11 turnovers compared to 14 for Dundee.

DUBEK LED ALL SCORERS with 24 points and he led the winners in rebounding with 11. Huebner scored 12 for Antioch and Brian Andrews added 11.

Tim Huebner took only six field goal attempts and made five of them.

Now that they have beaten Dundee, the Sequoits have one game remaining with each of the other teams in the South Division - including the four leaders, Woodstock, Jacobs, Wauconda and Cary-Grove. The only possible

"I'M GOING TO TAKE my ball and go home," says a Dundee player. But Antioch's Tracy Sodman didn't let him last Friday and the Sequoits scored a 62-58

victory here. In the background is Tom Huebner and at the right is Bill Dubek. (Photo by Neal Fossum.)

break in the schedule between now and Feb. 11 is a Jan. 28 game here with Lake Zurich, which has an 0-6 record.

On Feb. 10 the Sequoits start a five-game homestretch run against their five North Division rivals. Warren's Blue Devils will host Antioch on Friday, Feb. 10, in what could be a vastly important game. Warren has a 5-1 record, having lost only to Antioch in conference play.

SATURDAY NIGHT'S OPPONENT, in the Antioch gym, is Jacobs, a team that edged Stevenson 56-54 last

weekend. The previous weekend, Antioch beat Stevenson 60-53. Coach Andrews said he was impressed with Jacobs when he saw that team play this season.

Friday night, when Antioch plays at Woodstock, it will be up against a team that won 51-46 over Round Lake last Friday.

Antioch defeated Round Lake by 24 points in December, but Woodstock has the home floor advantage Friday and has some talented players - including Andy Schwebke, who has been throwing in about 24 points a game.

Antioch's freshmen are unbeaten

now 6-0 in conference play and 7-3 overall.

Against Stevenson Dan Maras led the team in scoring with 11 points and in rebounds with nine. Pete Weber added 10 points, Tim Koesser and Mark Pomazak each hit for eight points, and John Ploss rounded out the scoring with six.

Antioch shot a respectable 42 percent from the field and a good 65 percent from the free throw line.

IN THE SHOWDOWN with Dundee the home team (Antioch) played an excellent first half to take a 34-22 lead at halftime. Maras, Ploss and Weber each scored eight points in the half to power Antioch into command.

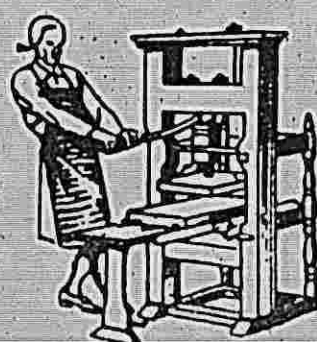

The Cardinals staged a brief comeback by out-

scoring the Sequoits 13-4 in the third quarter. Antioch shot a cold 2 for 9 in the period. The Sequoits regained their composure and discipline in the final stanza to gradually widen the scores.

BALANCED SCORING was again a strength of the freshmen. As a team Antioch shot a very good 56 percent from the field. Scoring was as follows: Maras, 14; Weber, 13; Ploss, 11; Pomazak, 8, and Koesser, 6. Maras and Ploss dominated the boards with 13 and 10 rebounds respectively.

This weekend the freshmen will have another double assignment. On Saturday they will journey to Woodstock and on Monday they will host Jacobs. Game time Monday is 4:30.

Why Pay More Than Necessary When You Finance Your Next Car? It's too bad, but most people do.

The reason: banks, finance companies, and most other lenders typically calculate interest in advance when you sign up for the loan. So, you pay interest on the entire amount you finance, regardless of how quickly you pay it back.

But with our revolutionary new Simple Interest Loan, interest is calculated daily and only on your outstanding balance. This means you can save significantly if you pre-pay or pay off the loan early.

Let us make your hard-earned money work harder. Ask us about our Simple Interest Loan.
